RECOMMENDED MAINTENANCE OF LUMAWALL ARCHITECTURAL GLASS WALL PANELS

Glass Direct, LLC. ("FGD") warrants to the original purchaser of our Lumawall architectural illuminated glass wall system (the "Product") that, for a period of five (5) years from the date of purchase, the Product will be free from defects in material and workmanship under normal use and service.

This warranty covers all components of the Product, including, but not limited to, the illuminated glass panels, frame, power supply, and control system.

If a defect covered by this warranty occurs during the warranty period, FGD, at its option, will repair or replace the defective part or the entire Product, as appropriate. The repair or replacement of the Product will be made at no charge to the original purchaser. Any replaced parts or Product become the property of FGD.

This warranty is subject to the following limitations:

- The warranty does not cover damage caused by improper installation (unless installation is performed by FGD), misuse, abuse, or unauthorized modifications to the Product.
- The warranty does not cover cosmetic damage, such as scratches, dents, or discoloration.
- The warranty does not cover damage caused by natural disasters, such as fire, flood, or earthquake.
- The warranty does not cover damage caused by electrical power disturbances or failures.
- The warranty does not cover damage caused by the failure to properly maintain the Product in accordance with the instructions provided by FGD.
- The warranty does not cover damage caused by the use of parts or components not supplied by FGD.
- The warranty does not cover labor costs for the removal and/or reinstallation of the Product (unless installation is performed by FGD).
- The warranty does not cover transportation costs for the return or replacement of the Product (unless installation is performed by FGD).

This warranty is the only express warranty made by FGD and is in lieu of all other warranties, express or implied, including but not limited to, any implied warranties of merchantability or fitness for a particular purpose.

To make a warranty claim, the original purchaser must contact FGD at contact@fgdglass.com and provide proof of purchase. FGD will then provide instructions on how to proceed with the warranty claim.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.
